

KBEC is proud to present *the Gulf Coast Cowboy Hour*. The show premiered Wednesday, November 16th, at 7 PM.

If you wish you were here, do we have a show for you!

Featuring artists such as Jimmy Buffett, the Zac Brown Band, Joe Ely, and many others who celebrate the laid-back, stress-less lifestyle of coastal living, *the Gulf Coast Cowboy Hour* strives to bring the sound of the sea to the landlocked. Sunscreen and swimsuits, friendship

and flip-flops, beachtowels and beer - these are all things we recommend our listeners have handy for the full

Gulf Coast

experience! If you have any suggestions or requests for must-have-beach-bum anthems, you should drop us a line

and get ready for a little break in the middle of your busy week.
